Q: How do you get the default value on an input with angularjs? Is there a way to get the default value of an input field in angularjs? I've tried : As well as : But neither of them seem to work. A: See defaultValue Directive in angularjs. ng-init is in AngularJS to initialize an object when controller loads so you can't use it with ng-model, please see the below snippet: `{{bar}}` var app = angular.module("app", []); 2d92ce491b
