Youtube: Feb 24, 2020 Almost a week on from Covid 19 lockdown restrictions we want to ensure that you all are safe, healthy and have adequate social distancing measures in place. Our goal is to help get you back to work and keep you safe at the same time. In this episode we talk with Dr. Alex Van Heur from The University of Cambridge about the impact of Covid 19 on our bodies and minds. We also talk to Dr. Aroon Rahman from the University of Oxford about the impact of COVID 19 on the kidney system and why patients should expect to recover. We also discuss some of the new treatments and hope for a vaccine in the coming months. Feb 19, 2020 We want to take this time to thank all of our supporters who have shown their support of the show. Your love and dedication to the show is the ultimate payoff, and we are thankful you all have chosen to be a part of this journey. We are always learning and trying to get better at the show, and always appreciate your feedback, so keep that in mind. This show is brought to you by Abaddon Media, Watsi, and Fracture. Feb 6, 2020 Dr. Aroon Rahman from the University of Oxford talks about the impact of COVID-19 on the kidney system and why patients should expect to recover. We also discuss some of the new treatments and hope for a vaccine in the coming months. About the Podcast We started this show to discuss news, products and fun that has to do with the garden. We have discussed many different topics from technical to physical, horticulture to plant pathology, science to hardware and everything in between. The objective is to share news about the garden, as well as share information that may be useful to a person interested in starting a garden, expanding a garden, or maintaining a garden. Join our live chatroom! Leave a comment and let us know what topics you want to hear about or ask us questions, and we'll try to discuss. We have a weekly live show on Wednesday afternoons at 2:30 EST, which can be listened to live on our website, but if you don't want to wait for the live show, the audio of the show is posted the following Wednesday. For now, if you want to listen, you can do so on our website and be a part of the conversation: 2d92ce491b
