Nov 7, 2019 DeliveryfromthePain5.exe . Mar 31, 2019 Lol Feb 1, 2019 Download Delivery From the Pain (2019) Dec 4, 2018 Download Delivery From the Pain Trainer (1.0.9706) Sep 8, 2018 If you are new, watch this: . If you are a frequent reader, watch this: May 29, 2018 Description of the method to achieve the "Delivery from the Pain Trainer". How to make it that the level of mastery in delivery the Pain has become endless, if you know how to duplicate the created files on each level you have encountered on each of those levels. Mar 17, 2018 How to have several levels of game without losing the "infinite" status. Feb 10, 2018 read: In general, you have to create a Trainer there, set its "infinite" number to "0" and save it so that when you play, it has the status of the trainer already created. A second stage consists in duplicating this trainer on every level that you will create in the game. In short, to do it, just open the.CT on the game and press the "right" button on the PC icon and from the list of the Pain sections choose the trainer that you want to duplicate. If you do not know how to modify a ct file, try the method that I described here with Cheat Engine, which is quite easy. Jan 19, 2018 Created:. Hello, Delivery from the Pain Trainer, is an interesting trainer. His games are more often than not somewhat difficult, but great at story. Thank you for the opportunity! I will add that if the "infinite" is what you want to achieve (and you have some free space on your hard drive), this method is perfect. I will tell you in detail what you must do. 1. Install Cheat Engine. 2. Download the Delivery from the Pain Trainer from the Steam Store and install. 3. Open the new trainer that you have just downloaded, press the Game icon on Cheat Engine, and from the list of the Pain sections choose the "Trainer
